

Running the Gauntlet – Divine Healing

God has given Debbie and I a ministry to heal the sick, to encourage them, to help them build their faith, to teach them understanding of God's ways and to comfort them with God's Holy Spirit. God has led us to reach out to addicted people also. We see this as the work and present-day ministry of Jesus Christ.

America has an unbelief problem and society has seemed to create a God vacuum of faith, and this has even infected the Church which is highly tempted to disbelieve God at every turn. It is a wise minister that sees this and takes steps to teach and train people to believe God first, above all things. But this is not done by an act of the will. If it were that way, then God's enemies could wield the benefits of His Kingdom too. We have a will, and it does require a submission of that will to receive from God's Kingdom, but that is only the first step. Then, you have prayer, study, declaration, raw faith and standing firm. The human will of man or woman has no stomach for any of these, but the man or woman who is walking with God in His word does it effortlessly.

A first big step is the submission of the will. I am providing a path, called "Running the Gauntlet" and this is a process of healing, deliverance, growth, built up faith, maturity and much more. It is an outreach to the sick and the addicted. This covers a huge segment of our society. **This is a mentoring system where a person can submit their will to God** by making a major decision to go after their miracle using our gauntlet system and grow in faith so that their path becomes effortless in God's grace. It should be noted that a gauntlet has come to mean a place of punishment. The word gauntlet is a type of glove that was used for various things, but one use was to strike an enemy's face in a challenge of combat. Now, running a gauntlet has a larger meaning, to run between two lines of one's peers who have sticks or clubs or some object to strike the person running through the two lines. The participant often is bruised and battered and maybe even dead by the end of the run. But there are different types of Running Gauntlets.

Our Gauntlet Run has quite a different purpose. It is a run to go after and receive the love of God. The striking of the runner's enemies is what happens instead. Those enemies are sin, sickness, depression, oppression, death, addiction, poverty, lack, and attacks both physically and mentally. The gauntlet we offer has

no pain or harmful effects on your mental state or your body, but rather, any disease or malady or addiction is pummeled, struck, and harmed, and any demon attacking you is buffered, rebuked, and evicted from your presence. So, you can see who and what our gauntlet is for, your spiritual enemies. That includes cancer, arthritis, diabetes, nicotine, alcohol, prescription drugs or any other addiction or disease.

Here is a photo of Running the Gauntlet from the early days in our nation where the advancing pioneers had struggles with Native Americans.

Bear with us as we are only just now developing the Gauntlet system, and it will be added to weekly. If you go through the material more quickly than we can produce it, then just make sure that you listen and re-listen to each segment at least 3 times. The 2nd time, you pick up more revelation, and the 3rd time you see and hear even more. If you are sick, listen to the teachings on addictions, and if you are addicted, listen to the teachings on healing. This is because your healing can often be triggered by you sharing with others. If you know the material for both categories, you can better spot who God leads you to, to invite them through the Gauntlet too. Our system is totally free to all people and operates on “free will” love offerings.

Running the Gauntlet has mentally had a negative connotation for most people, but it is used in training people, in teaching people, in hazing, and in punishment. In many ways, some Running Gauntlets are used to make people improved and better. That is the idea with our gauntlet.

Here we see older seasoned trade workers making newer workers
run a gauntlet when they arrive late to work.

The devil has a gauntlet, and you may feel you have been on a very nasty obstacle course of suffering and disease, but God has one and it is for training in His word and His ways. *"For whom the Lord loveth he chasteneth, and scourgeth every son whom he receiveth."* Hebrews 12:6 KJV Not all of God's training is easy or pleasant, but it gets easier as you submit yourself to it. It is mostly hard on sinful flesh. Sinful flesh can be as simple as being unwilling to believe God at His word. As your sinful flesh weakens and leaves you, your spirit and soul strengthen and the training becomes what you want for breakfast daily. The Lord does not chasten with sickness or injury, but with His word. No matter how hard it is to hear or do, we do it and the suffering of it changes us. In the beginning of your quest to run the gauntlet, you will feel all alone, and like your mind is in a press of mental torture. This is when your faith breakthrough is near if you will not quit. I say to you, do not give up on word chastening. To get God's chastening, you must be near or around someone who tells you the truth. That is what Running the Gauntlet is designed to do. I will tell you truths that even your Pastor might not say to you. That is my calling. As a teacher of His word, God requires me to give His word as a straight shooter, no matter what it costs me.

How does this heal your body? By you working truths and revelations into yourself by faith and then walking in those revelations until they manifest in your body.

A karate trainee goes through a gauntlet of his peers who throws strikes at him to increase his skills of deflecting hits and kicks.

As you can see, skills can grow in you as you work at it. *“12 For when for the time ye ought to be teachers, ye have need that one teach you again which be the first principles of the oracles of God; and are become such as have need of milk, and not of strong meat. 13 For everyone that useth milk is unskillful in the word of righteousness: for he is a babe. 14 But strong meat belongeth to them that are of full age, even those who by reason of use have their senses exercised to discern both good and evil.” Hebrews 5:12-14* Read and re-read this scripture. It indicates that with a strong teacher, you can be made to be skillful in the word of righteousness which is also the word on healing from God. The healing truths will fill you up in your mind, and in your whole spirit, soul and body, if you persevere. Run the race and finish your course. Don't quit, don't lay it down out of soulish pressure, impatience and pride. These are the very things that God wants to remove from you. Here is a chance for you to dethrone the pride of life and allow God to rule in your whole 3 part being, spirit, soul, and body, once and for all. The benefit will be all yours.
